Grading and evaluating student work in class and at the final exam	* Student may take two class tests during the semester. Successfully passing both tests will replace the written part of the final exam. Students must achieve at least 60% of points on average from all tests and a minimum of 75% of points from third test for tests replacement for written part of the final exam.  The average number of points from all three passed forms the grade of the written part of the final exam according to the threshold values specified below:  0-59 insufficient (1) 60-69 sufficient (2) 70-79 good (3) 80-89 very good (4) 90-100 excellent (5) By active participation in the course, a student can earn an additional 10 points which are added to the points of passed written part of the final exam.  Final exam consists of two parts: written exam and oral exam. The right to access to the oral exam has student who has passed written exam.  Achieved points on passed written part of the final exam increased by potential points of active participation correspond to following grades:  0-49 insufficient (1) 50-65 sufficient (2) 66-75 good (3) 76-85 very good (4) 86-100 excellent (5)  Evaluation of oral part of the exam and final grade thresholds: 3 correctly answered questions – grade from the written part of the exam +1 2 correctly answered questions – grade from the written part of the exam 1 0 correctly answered questions – grade from the written part of the exam -1 0 correctly answered questions – students have to re-take oral part of the exam

Quality assurance methods that ensure the acquisition of exit competences	Students' feedback via questionnaires. The evaluation by the head of the study programme and the vice-dean of education. External evaluation is conducted by independent external experts. The exam conducted by the course teacher examines all learning outcomes of the course. Periodic examination of the content of the exam is carried out by the vice-dean, based on which it is assured that examination of the learning outcomes is appropriate.
