	*Throughout the semester, students will have an opportunity to take two midterm exams. If they pass both, they are exempted from taking the final exam. The examination is considered positive (a pass grade) if at least 60% of the							
Grading and evaluating student work in class and at the final exam	questions are correctly answered. The final grade will be based on the results obtained in midterm exams (each 35 points), seminar paper and presentation (25 points), and participation in class activities (5 points).							
	In contrast, if students do not successfully pass midterm exams, they must take the comprehensive final exam, with the possibility to obtain 70 points in total.							
	Grading scale: < 60 points = unsatisfactory, 60-69 points = satisfactory, 70-79 points = good, 80-89 points = very good, and 90-100 points = outstanding.
